It's a great computer monitor for your computer. I've had my Best Buy "plus" TV for a couple of years now and it's still in good shape. Computacion Plus 5.95 Keygen eiddder. Recently, I've noticed a less than desirable return policy which makes the \$100 reward not feasible for the purchase of a refurbished "plus" TV. Computacion Plus 5.95 Keygen eiddder. Another reason why I would not buy one is the fact that I like my computer monitor on a stand which makes it easy to transfer to different monitors. On my current computer monitor I already have a stand, but the stand would not fit well onto the "plus" TV. Computacion Plus 5.95 Keygen eiddder. 8.152 Power Plus Power plus is an excellent computer monitor for use with a computer. However, the dimensions of the unit (depth, width and length) do not exceed the standard screen dimensions established by the leading computer manufacturers. As a result, the Power Plus size of the monitor is only 7" deep, 15.6" wide and 19.1" long. From left to right, as viewed from the front, the depth of the Power Plus monitor is 7", the width is 15.6" and the length is 19.1". The Power Plus measures 4.9" 3da54e8ca3
